Click here for COVID-19 tools.

As we make our way out of the COVID-19 crisis and open up our businesses, here are some commonsense practices that will make you a winner with your customers!

- **Let your customers know that you are going the extra mile to sterilize games, counters and surfaces.**
 - Have your employees wear masks and gloves – regardless if it is required by local jurisdictions.
 - Change gloves often.
 - Have employees wash hands often.
 - Have staff constantly being seen cleaning surfaces. Make sure towels are clean, and the disinfectant they use is labeled so the customers know it is the proper solution.
 - Avoid touching customers when handling tickets, merchandise or food.
- **Provide hand sanitizer stations throughout your center.**
- **Provide masks for customers who may want them.**
- **Place appropriate signage throughout your center. Remind guests to:**
 - Wash hands regularly with soap and water for at least 20 seconds.
 - Cover mouth with a cloth or shirt sleeve when sneezing or coughing.
 - Avoid touching their face.
 - Keep appropriate social distancing.
- **Mark with tape on the floor where people should stand while waiting in lines for safe distances.**
- **Avoid accepting cash. Cash is dirty and easily contaminable. Wipe off credit card terminals and pens after each guest.**
