

# We Take Your Safety Seriously.

**Our machines are treated regularly with BioCide 100.**

- ✓ **Kills 99.9% of Bacteria, Fungus & Viruses**
- ✓ **Highly Effective Against Coronavirus**

*BioCide's experience and observable results show that using BioCide 100 on medium to low-touch areas such as buttons, coin-slots, and handles may have a persistent effect for two to four weeks after application.*
